I have been running ZPRad's graphics department, and have overseen 5 other graphic designers. My responsibilities include everything from print and promotional items to the website, blog, videos, newsletters, social media and SEO. One of my proudest accomplishments is ZPTV, an in-house TV station that I created from the ground up that is broadcast throughout the entire practice.

Dr. Polcino

Creative Director

Dr. Polcino, MD
 141 Little East Neck Road
 West Babylon, NY 11704

My job as creative director at Dr. Polcino's office entails overseeing and designing print materials, website, videos, SEO, newsletters, reputation management and social media. In addition, I have created and maintain a recipe blog and an in-house TV station.

Professional creative director and graphic designer with 20+ years of experience. Skilled in relationship-building and team concept development. Created and directed a broad range of print and digital projects for ZPRad, Dr. Polcino and hundreds of freelance clients.

Looking to further my career in fast paced, high-pressure environment, capitalize on my experience and maximize my creative potential.

Clients I have worked for include:
